Dear Labor:

I realized in 2007 I would not have enough in my 401k and IRA's to have a safe retirement. So I took the opportunity to learn how to make money in the market. It has been challenging to say the least but I am glad I did it, because it gives me control of my future. I have found that options, lets me trade both the up and down cycles in the market. I hope you vote to give me the right to continue what I have worked so hard for.
Thank you for your service Robert Rettig

Sincerely,

Mr Robert Rettig
